

## LOVE

In the war against being constantly hot and sweaty and in the constant pursuit cooling ourselves down here in Bali, we have the answer. Apart from diving into a pool or the sea, I-Mag is in LOVE with Gusto icecreams. Afternoons have never been the same since we discovered Chocolate Chillli flavor ice-cream. Our favorite choice is Chillli Chocolate mixed with the Ginger flavour... It's the ultimate afternoon chill out combo. Gusto has made Umalas a destination!

## MAGIC

Single Fin is the poppiest bar/resto in Bali. It's located at the end of the road, perched atop the Uluwatu Cliff with a sunset/moon vista to melt your face off. Along with everyday classic tasty cuisine, its Sunday night is the party with the unfailingly rocking live arts, unfailingly fun crowd, and unfailingly sublime vibe. Personally, my two jugs of margaritas made me want to kiss everyone and spin around like a child dosed up on sugar. Not since you were 17 have bars been this fun (imagine the bar in Point Break meets that bar in Drop Zone!). Along with the surf below, it's the most consistently pumping surf spot on the island and like Racetracks in days past, secrets this good don't stay secret for long. As Andre 3000 of OutKast put it, "you must be the one, if not you're the prototype."
